

CHIEF GUEST

Joby Mathew

Deputy Director, United Nations

"Leadership isn't just a trait—it's a force that shapes nations, businesses, and lives! Join us as we dive into the wisdom of great leaders across the globe, explored through the eyes of our young scholars. Witness the unveiling of 'Leadership Spectrum: Insights Across Borders'—a groundbreaking book that bridges generations of leadership wisdom. Be part of this moment where knowledge meets inspiration!"

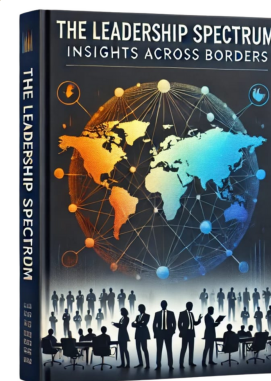

Authored by 17 Students & 1 Faculty, this book explores leadership through the lives of prominent figures, analyzing their strategies, decisions, and impact with authentic references.
